Re: United States v. David Lee, 08-CR-1135 (RPP)

Dear Judge Patterson:

I represent defendant David Lee in the above captioned case. I write to request an adjournment of Mr. Lee's sentencing, which is currently scheduled for February 27, 2015, to March 27, 2015 or another date after February 27, 2015 that is convenient for the Court. This is the first request for an adjournment in the case, and is made on consent of the government.

The reason for the request is two-fold. First, the Probation Department distributed its initial Presentence Report to the parties this week, which, if sentencing proceeds on February 27th, will not provide the parties with the 35-day minimum notice required by Rule 32(e)(2). See Fed. R. Cr. P. 32(e)(2). Second, I anticipate that both parties will be making written sentencing submissions, for which we need more time to prepare and submit to the Court in advance of sentencing. Accordingly, we believe it would be appropriate to adjourn the sentencing to the date requested above.

Your Honor's consideration of this request is greatly appreciated.

Respectfully submitted,

/s/

Amy Walsh
